

WHY RISING STARS?

Dear Parents and Campers,

Welcome to our 25th annual Summer Basketball Academy series. Once again, we anticipate a waiting list of campers that wish to attend. The reasons are simple. We strictly limit enrollment in every camp, and provide an exceptional basketball experience.

Last summer camp had 4:1 camper to staff ratio. Many teams had two coaches, all teaching was conducted in small groups. All of our staff and coaches have played and/or coached at the high school and college level. That is the Rising Stars difference!

Please remember, enrollment is limited, so apply early. I hope to see you this summer, and I can personally guarantee your experience will exceed your expectations!

Feel free to E-mail us at info@risingstarsyouthfoundation.com with any questions, or better still, talk to anyone who has been a part of Rising Stars.

Sincerely,

Dan Gimpel
Executive Director
